

## **EDUCATION & TRAINING** **SCHOLARSHIP/LOAN PROGRAM**

The Education & Training Fund was established more than 20 years ago by the U.S. Virgin Islands Hotel & Tourism Association.

Since its creation, the fund has provided financial assistance to local students seeking degrees at the University of the Virgin Islands (UVI) in Hotel Management or a major in Business with a concentration in Hotel Management.

The financial assistance is in the form of a loan to be repaid upon conclusion of studies at UVI according to the payment schedule in the Financial Assistance Agreement. However, if the recipient remains in the U.S. Virgin Islands upon graduation to work in the tourism industry, the amount of the loan shall be forgiven and shall convert to a grant in proportion to the length of financial assistance and the length of time worked in the U.S. Virgin Islands. (e.g. if the financial assistance was for a period of four months, four months of work in the V.I. hotel industry converts it to a grant)

The only exception where the repayment or service may be postponed would be if a student, who immediately upon completion of a two year Business Management degree with a concentration on Hotel Management or a Hotel Management degree program at UVI, enrolls in an institute of higher learning to complete a Four Year Degree in Hospitality Management or a Business degree with a concentration on Hotel Management.

### **Qualifications**

- Must be a citizen or permanent resident of the United States of America, a graduate of a high school in the U.S. Virgin Islands and a resident for at least five (5) years.

- Must complete at least eight weeks of paid internship at a member of the USVI Hotel & Tourism Association during the course of study at UVI.

### **Financial Aid Benefits**

- Tuition, books, and fees at the University of the Virgin Islands minus the amount of any other financial assistance received, not to exceed \$2,500 in the first semester.
- Paid internship at a USVI Hotel & Tourism Association member business during school, summers, or times off. If no position is available, the eight-week internship requirement cited above will be waived.
- Placement for the post-graduation term of work in the U.S. Virgin Islands. If no placement is provided within six months of graduation, entire loan will be forgiven and converted to a grant.
- Scholarship/Loan is awarded in a onetime payment for one semester for the first time student attending UVI.
